

Notice of construction

High Street between Dalton Road and River Street and
between West Street and Highway 48

High Street Reconstruction - Phase 1

This notice provides information about the construction activities that will begin soon in your neighbourhood.

Description:

The High Street Reconstruction Project - Phase 1 delivers improvements and upgrades to downtown Sutton, including replacing the existing watermain and service connections to property lines, replacing the existing storm sewer, replacing sections of the existing sanitary sewer, road reconstruction, bridge rehabilitation, sidewalk and boulevard restoration and upgrades to functional streetlighting outside of the BIA-core sections of the corridor.

Phase 1 duration:

July 2026 - December 2026

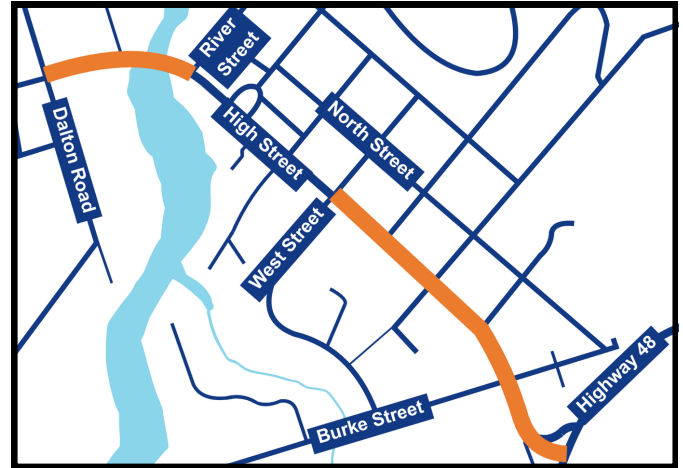

Impact:

Bridge/lane/driveway closures, detour routes, temporary water service disruptions and construction noise and dust.

The contractor will distribute pre-construction notices to all residents affected by the construction activities. The pre-construction notice will be in the form of a doorknocker and will include the anticipated disruptions and duration of the work.

Thank you for your patience during the construction period. We understand construction creates challenges for the community and we will be working to deliver this project with minimal disruptions. If you have questions about the upcoming work, contact Service Georgina at info@georgina.ca or 905-476-4301 and be sure to quote "contract: OID2026-033" in your inquiry.
