Notice of Construction

Old Shiloh Road Bridge
Old Shiloh Road between Weir's Sideroad and Victoria Road

Full road closure related to the Old Shiloh Road bridge replacement

---

Description:
Full road closure from Feb. 2 to 6, 2026 to facilitate a geotechnical drilling investigation.
The geotechnical investigation supports the design of the new Old Shiloh Road bridge.
Check the webpage for updates on the project.

Duration:
Five days

Impact to travellers:
Full road closure at the Old Shiloh Road bridge.
Take alternate routes as shown in the detour map.

As with all construction projects, work may be rescheduled due to weather. Advance notice will be provided when possible.

Thank you for your patience during the construction period. We understand construction creates challenges for the community and will be working to deliver this project with minimal disruptions.
