

Notice of construction

June 2, 2026

Sewage Pump Station upgrades

This notice provides information about construction activities that will begin soon in your neighbourhood.

Description:

Diesel generator fuel systems and other facilities will be upgraded at various sewage pump stations throughout Georgina to keep them in good working order.

Duration:

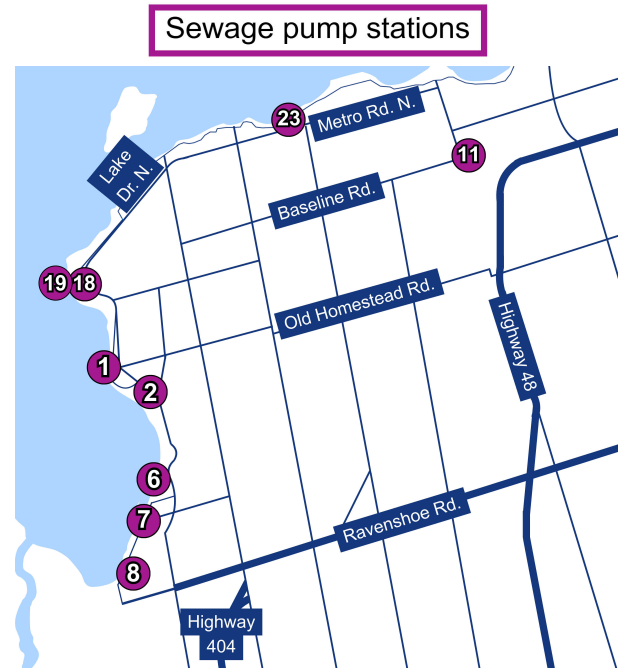

June 2026 — December 2026

Impact to residents:

- Increased construction-related traffic in and out of the facility
- Construction noise and dust
- No impact to your water and wastewater services

As with all construction projects, work may be rescheduled due to weather. Advance notice will be provided when possible.

Thank you for your patience during the construction period. We understand construction creates challenges for the community and we will be working to deliver this project with minimal disruptions. If you have questions about the upcoming work, contact Service Georgina at info@georgina.ca or 905-476-4301 and be sure to quote “contract: OID2026-015” in your inquiry.
