# Notice of construction

**June 10 2026**

**Station Road drainage improvements and Old Homestead Road multi-use path**

This notice provides information about construction activities that will begin soon in your neighbourhood.

**Description:**
The Station Road Drainage Improvements and Old Homestead Road Multi-Use Path project includes upgrades to existing pedestrian and drainage infrastructure within the Pefferlaw community. Planned improvements include reconstruction of sections of sidewalk and curb along Station Road to improve drainage, construction of a new multi-use path along Old Homestead Road connecting Forestry Drive to the pedestrian bridge at Station Road.

**Duration:**
June 2026 — November 2026

**Impact to residents:**
Daily lane closures, sidewalk closures, periodic driveway disruptions, construction noise, dust and changing traffic conditions throughout the construction period. Driveway access to homes will be maintained whenever possible; however, temporary restrictions may occur during active construction operations adjacent to properties. Advance notice will be provided.

As with all construction projects, work may be rescheduled due to weather. Advance notice will be provided when possible.

Thank you for your patience during the construction period. We understand construction creates challenges for the community and we will be working to deliver this project with minimal disruptions. If you have questions about the upcoming work, contact Service Georgina at info@georgina.ca or 905-476-4301 and be sure to quote “contract: OID2026-032” in your inquiry.

**Stay updated**
