

Georgina Fire and Rescue Station 1-2 and Paramedic Response Station 14

Council Presentation

GEORGINA

Prepared for:

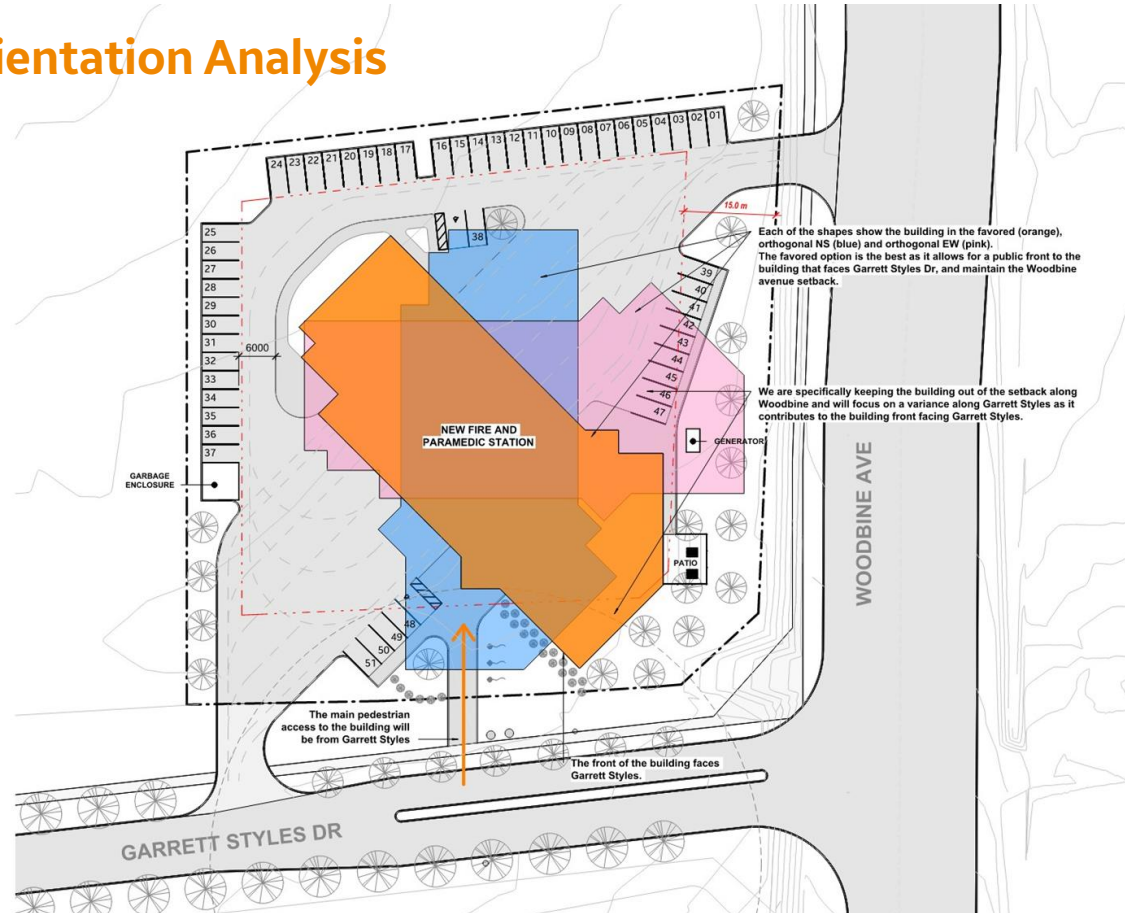

York Region, York Region Paramedic Services, Town of Georgina, Georgina Fire Department

Date: May 6, 2026

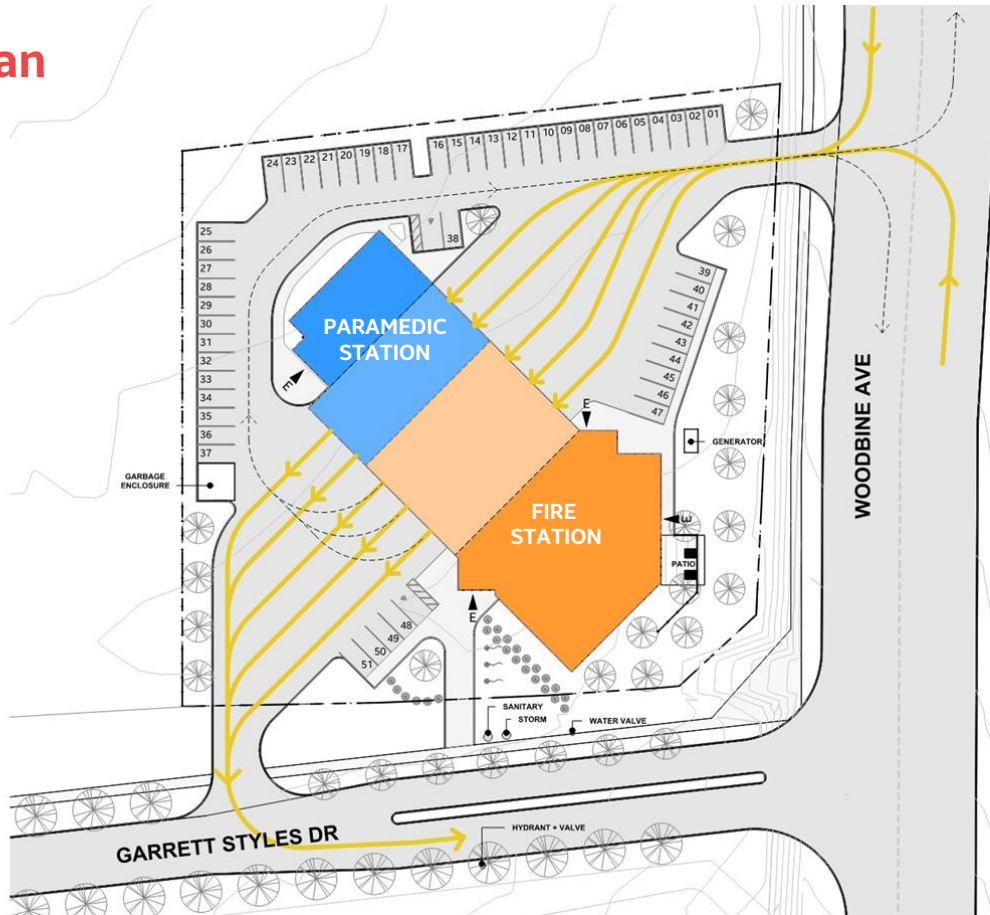

Agenda

1. Site Plan – Building Orientation Analysis
2. Site Plan
3. Exterior Perspectives

Building Orientation Analysis

Site Plan

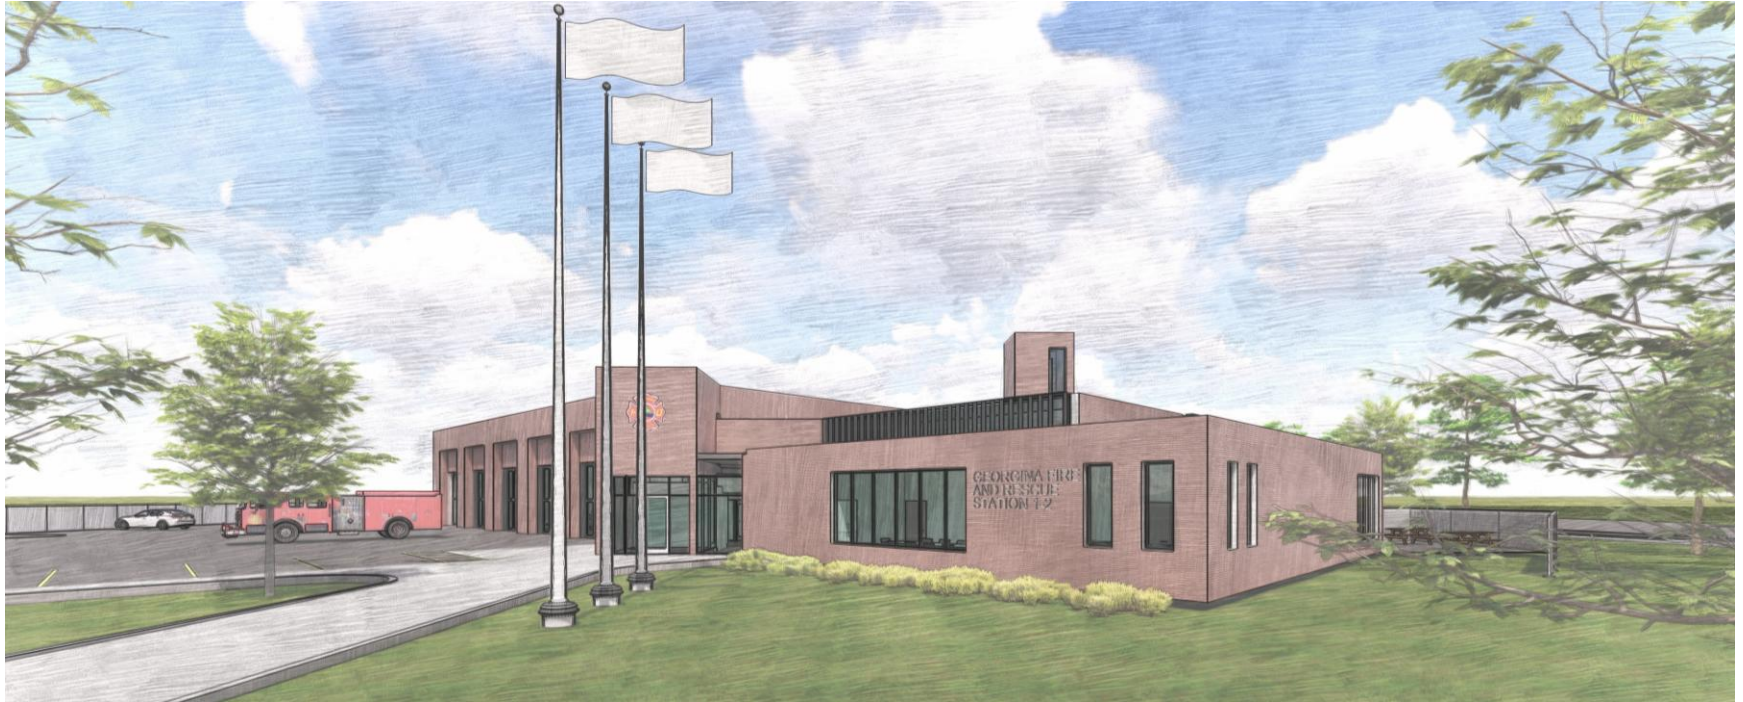

Key siting:

- Occupy the corner
- Shared circulation paths result in reduced paved areas on the site.
- Position the building to have drive-through bays for Paramedic Vehicles and Fire Apparatus
- Responding Fire Station out on Garrett Styles Drive

Aerial Perspective Looking North

View Looking North at Front Entrance

Aerial Perspective Looking North-east

Next Steps

Overall Timing

Recommendation

That Council receive the presentation and endorse the proposed design concepts, including the building orientation.

Thank you.
